+91-9725383328 • Ahmedabad, Gujarat, India • prasannashirsath88@gmail.com

PROFESSIONAL SUMMARY

Junior Software Engineer with ~2 years of experience and a strong foundation in databases, SQL, and structured data modeling, now transitioning into Data Analytics and Data Science through a certified course covering Python, SQL, Power BI, Tableau, Machine Learning, and Statistics essentials. Skilled in writing SQL queries for data retrieval, cleaning and analyzing datasets, and building visualizations to support data-driven decisions. Brings hands-on experience in database design, query optimization, and translating business requirements into clean, efficient solutions. A fast learner, eager to grow and open to working across any technology.

TECHNICAL SKILLS

Data Analytics: Python, SQL, MySQL, Power BI, Tableau, Machine Learning & Statistics essentials (Certified Data Science coursework in progress), Microsoft Excel (sorting, filtering, formulas), data interpretation and visualization

Databases: MySQL, relational data modeling, GraphQL queries & mutations

Languages: JavaScript, PHP, Java, Liquid, HTML/CSS, SQL

Tools: Git/GitHub, AI-assisted tools (ChatGPT, AI Studio, Antigravity)

WORK EXPERIENCE

Atharva System — Ahmedabad, Gujarat, India

July 2024 – January 2026

Junior Software Engineer

- Built and maintained backend server-side logic using JavaScript, Liquid, PHP, and MySQL for e-commerce platforms.
- Designed structured, queryable data models and wrote SQL/GraphQL queries for data retrieval, reporting, and analysis.
- Optimized code performance and collaborated with cross-functional teams using Git for version control.

EDUCATION

B.E. in Computer Engineering — GEC Modasa

2021 – 2024

Percentage: 66.30%

Diploma in Computer Engineering — Government Polytechnic Gandhinagar

2018 – 2021

Percentage: 93%

CERTIFICATIONS

Certified Data Science Course — Python, SQL, Power BI, Tableau, Machine Learning, Statistics (In Progress)

SOFT SKILLS

Effective Communication • Analytical Thinking • Problem Solving • Attention to Detail • Collaborative Mindset
